SCHWARZWALD RESORT

READY FOR A REFRESH
The Dollenberg in
full bloom this summer!

A TIME OF RENEWAL

Dear Dollenberg guests and friends,

Do you share our excitement at the prospect of the sun's warming rays setting our faces and hearts aglow? Of the ripe taste of summer wine? Of the forest's resinous fragrance and the sweet sensuality of roses? Of cool, invigorating water making our skin tingle with pleasure? Of stimulating conversations or simply the quiet hum of bees?

In the heart of the Black Forest – and close to Baden-Baden (50km), Strasbourg (50km), Freiburg (70km), Offenburg (33km) and Freudenstadt (25km) – we have created a refuge of abundant space and time for you to indulge yourself ... or simply relax, take in the view, and breathe.

We have made use of recent months to renew the Dollenberg in readiness for a fresh summer start. You can look forward to our exciting new look, including:

- ... remodelled pool area
- ... refurbished restaurants
- ... new gym with state-of-the-art equipment
- ... overhauled sauna world
- ... new bathrooms and many rooms
- ... brand new junior and luxury suites
- ... modernised Spiegelsaal rooms
- ... new smoker's lounge
- ... new access roads

... even more EXPERIENCES ...

With kind regards from Meinrad Schmiederer, the Schmiederer and Herrmann families, and the Dollenberg team

For 15 years, the World Luxury Awards have honoured the best holiday, spa, gourmet and health destinations in the world. In 2020 the Black Forest got a spot at the top of the tourism industry: our Relais & Châteaux Dollenberg Schwarzwald Resort***** S was awarded three prestigious trophies!

every target group. This is precisely the art we have honed down to the smallest detail here at the Dollenberg. There was a time when people's longing for travel was dominated by dreams of endless sandy beaches, turquoise waters, and palm trees gently swaying in the wind.

Known as the Oscars of tourism, the World Luxury Hotel, Spa & Restaurant Awards are considered a crowning achievement for any travel destination. For 15 years, the World Luxury Awards have honoured holiday, spa, gourmet and health destinations that provide the best possible facilities and service for

More recently, holidaymakers have become more selective and quality-conscious. A development that the Dollenberg's owner, the tourism pioneer and visionary Meinrad Schmiederer, recognised back in the early 1970s when he created what is now a magnificent five-star superior resort. Our three World Luxury Awards, one each for the hotel, the spa and the restaurant, honour these achievements and visions.

Just like the Dollenberg, we too find new energy with the burgeoning **summer**, savouring our 7 hectares of gardens, and taking pleasure in the floral **splendour** all around us. We are filled with the joy of what is to come: our guests strolling among the fragrant **flowers**, gathering at the Wishing Table, chatting, listening to the birdsong and the **music** at the amphitheatre ...

The Dollenberg in summer

We love life at the Dollenberg, and we know how to appreciate it: cycling cheerfully over **mountains** and through **forests**, discovering the region's flora and fauna, and collecting impressions of our homeland's **beauty** ready to share with you, our dear guests!

As well as being the source of life and joie de vivre for us and our beloved flowers, water at the Dollenberg is also a **curative wonder!** Although known much longer, in 1584 the **healing waters** of Bad Peterstal-Griesbach came to the attention of the world of science – and the rest is history. Guests of the Dollenberg can also enjoy the healing waters in our **spa**.

‘I felt my lungs inflate with the onrush of scenery – air, mountains, trees, people. I thought, “This is what it is to be happy.”

Black Forest 365

'The clearest way into
the universe is through a
forest wilderness.'

John Muir

THE BLACK FOREST: POWER OF NATURE

However noisy the world outside, here in Baden-Württemberg's first national park things are peaceful and calm, both inside and out. They're also a little bit wilder. Letting nature take over the reins requires courage. Courage to give up control and cease being in charge of your journey. This courage is nourished by profound trust in the power of nature.

Experience the spectacle of 10,000 ha (25,000 acres) of pristine wilderness, its untamed growth, diversity and wonders. Let yourself drift, be guided, enlivened by the forests, and inspired by our wildlife. Awaken and discover your innate trust in the National Park's environment – and in your own nature.

*What awaits you in the
National Park?*
